01

Why California Campus Access PLUS+

INADATA is a California-based company helping students succeed in their education journey.

We know college prep, campus visits, and understanding U.S. cities are critical in choosing the right school. These steps can be time-consuming, costly, and complex. We are here to help making the process easy and personal!!

Campus Access Plus+ offers the chance to explore multiple campuses, find your best-fit university, connect with current students, gain insider tips on applications, and experience campus life.

02

What is the PLUS+

Pre-Visit College Info Sessions

Not sure what to expect from the campus Access? Don't worry—we offer a FREE Zoom info sessions before the visit. Get all your questions answered and feel confident heading into your journey.

College Application Consultations

Now...how to start and what to do with the college application? During the visit, our experts will guide you with consultations on how to navigate the college application preparations and process. We'll walk you through tips, tricks, and strategies to help you stand out.

Follow-Up Sessions

Then what ? Wait! The journey doesn't end when the visit does. We'll provide a FREE follow-up session to help you with next steps, answer lingering questions, and offer support as you get ready for the college application process.

Exclusive Activities

Get ready for some extra fun! Because this process should be fun as well. Explore the city, enjoy the magic of Disneyland Downtown, visit Silicon Valley, shop at world-class shopping centers, eat real American foods, have sport and fun activities and much more.
